

**The Wall That Heals – Lacey, WA
Chambers Prairie Elementary**

June 25-28, 2026

6501 Virginia Street SE
Lacey, WA 98513

The Wall That Heals Lacey, WA Committee is honored to have been selected as the only host for The Wall That Heals in the state of Washington this year. The Wall will be at Chambers Prairie Elementary from June 25 to 28, 2026.

The Wall That Heals is the largest replica of the Vietnam Veterans Memorial in Washington, D.C. It stands 7.5 feet at its tallest point and is 375 feet in length. It honors the 58,281 service members who lost their lives, those who served our country during the war, gives Vietnam Veterans the welcome home they deserve, and families an opportunity to honor their loved ones.

The exhibit is free to the public and will be on display at Chambers Prairie Elementary from Thursday, June 25, to Sunday, June 28, at 2:00 p.m. The Wall That Heals will be open 24 hours and includes an Education Center with artifacts, photographs, and information about the Vietnam War and those who served. Guided group tours will also be available.

There will be a Welcome Home Ceremony to officially open the exhibit, a special candlelight ceremony, and the playing of TAPS every evening. To learn more, please visit our website at www.thewallthathealslaceywa.org.

We are asking for your help in bringing this experience to our community. Please consider donating at one of the sponsor levels on the attached pages.

In addition to financial sponsors, we would appreciate your assistance with In-Kind services and volunteers. Over 200 volunteers will be needed to support the 24-hour display. If you would like to discuss these options or if you have questions, contact Jorge Castillon at thewallthathealslaceywa@gmail.com.

Our committee is made up of Veterans, residents, and community leadership who are all dedicated to sharing this unique opportunity with our community. We look forward to having you join our team.

Thank you,
The Wall That Heals Lacey, WA Committee
